Practices Banking & Finance, Corporate, M&A, Private Equity & Funds

Presentation

Adj is an associate in our Casablanca office. She specializes in M&A, Private Equity & Funds, General Corporate, Banking and Finance, with a particular focus on international transactions relating to Africa, in the fields of corporate, commercial, contract and regulatory law. She works exclusively with African, European and international clients, including investors, multinationals and public institutions, on their transactions to and from Africa. She is involved in drafting international commercial contracts, and in equity transactions, legal audits, mergers/acquisitions, project financing, investments and corporate group reorganizations.
