Languages English, French, Lithuanian

E sjurgsaityte@asafoandco.com

Sectors Energy & Power, Infrastructure, Transportation & Logistics

Practices Project Development, Project Finance

Presentation

Silvija is an associate in our Paris office. Her practice focuses primarily on the financing and development of energy and infrastructure projects. She has experience advising lenders, sponsors and host governments on complex cross-border transactions in Africa.

Prior to joining Asafo & Co., Silvija gained valuable experience through internships at different international law firms and international financial institutions.
